- E: sales@medicapitalrent.com
- T: +31 71 581 4 581

Should you require different technical specifications, please do not hesitate to contact us.

Easy to Use

- Easy temperature setting with intuitive user interface.
- Easy to remove shelf system.
- Easy to clean interior with rounded corners.
- Easy to read large display.

Reliability

Successful incubation is dependent upon the environmental conditions. As such, you need to trust that your valuable samples are maintained in a safe and efficient manner. This incubator is designed to provide long-term performance with optimal conditions. The incubator has a chamber uniformity of +/- 0.2C at 37°C within the bounds of the shelf area.

Complete Package

The MediCapital Rent series of incubators are designed for laboratories and clinics that require contemporary styling, accuracy and economy in a basic incubator package.

Validation

All MediCapital rent Incubators are validated upon shipment and provided to the site including certificates and documentation.
