- T: +31 71 581 4 581

Should you require different technical specifications, please do not hesitate to contact us.

Practical Use

Their compact size makes them ideal for small laboratories and medical practices. The refrigerator has removable grids to store products separately.

Easy Maintenance

The exterior and interior have smooth surfaces, which can be cleaned easily.

Environmentally Friendly

These refrigerators are of the A-Class type, which means they are very environmentally friendly, and have a low energy use and sound level.
