- T: +31 71 581 4 581

Should you require different technical specifications, please do not hesitate to contact us.

## Stability

Powered by the unique IntelliCold™ Controller, this pharmacy refrigerator has superior temperature uniformity and energy consumption, plus extra functions designed to store temperature sensitive pharmaceuticals in optimum conditions and assist busy professionals with regulatory requirements.

## Practical Use

Their compact size makes them ideal for small laboratories and medical practices. The refrigerator has removable grids to store products separately. The exterior and interior have smooth surfaces, which can be cleaned easily.

## User Friendly

The simple to use four button interface is clearly labelled and allows minimum/maximum temperatures to be displayed at the touch of a button. It also shows clearly which alarm is active and why. A clear LED display shows the internal temperature of the fridge to one decimal place.

## Environmentally Friendly

These refrigerators are of the A-Class type, which means they are very environmentally friendly, and have a low energy use and sound level.
