## Practical use

Their compact size makes them ideal for small laboratories and medical practices. The refrigerator has removable grids and a basket to store products separately. The machine is mounted on custom-made plateaus for stability in transport and use.

## Alarm and Safety Functions

The refrigerator helps to protect your inventory. This cabinet offers a variety of alarm and safety features designed to greatly reduce the risk of loss of contents.

## Easy Maintenance

The exterior and interior have smooth surfaces, which can be cleaned easily.

## External Temperature and Alarm Monitoring

Check our temperature loggers for more information

## Environmentally Friendly

These refrigerators are of the A-Class type, which means they are very environmentally friendly, and have a low energy use and sound level.
