Should you require different technical specifications, please do not hesitate to contact us.

Easy use

All primary functions have their own key on the keypad. The display has a capacity bar showing how much of the weighing range is still available.

Accurate results

Accurate Results Level indicator and foot screws to level the scale precisely, fitted as standard, to give the most accurate weighing results.

Medical Device

Approved as a medical device in accordance with 93/42/EEC.

Low maintenance

Stainless steel weighing plate for easy and hygienic cleaning. Sturdy transport case to protect and store the scale.

Calibration

The scale comes with a calibration certificate. Additional yearly re-calibration is available on request.
